GOD'S FINANCIAL PRINCIPLES IN ACTION

THE BIBLE SAYS

You have been blessed that you might be a blessing. Jesus came to set the captives free (Gal 5:1) and to release people from the curse into blessing (Gal 3:13-14). The Bible says that debt is a curse (Deut 28:44-45) and the borrower is servant (slave) to the lender (Prov 22:7). Have you considered helping to set others free?

God's Word clearly teaches that His people should not become entangled with the world, making themselves servants of it with heavy debt and interest repayments (Rom 12:2, Neh 5:1-13). Instead we should serve and support one another in love (Gal 5:13).

How can we help each other into homes today?

INTEREST FREE LENDING

Liberty Trust began in 1989 with a direction from God that we should "pool our resources and lend to one another without interest". Liberty Trust operates a storehouse into which people can donate for the promotion of God's purposes. These funds are used to fulfill the Trust's charitable objects and the remainder is currently invested with Ark Resources Ltd as an ethical investment. The purpose of this investment is to earn funds to be applied to the charitable purposes for which Liberty Trust has been established.

Ark Resources Ltd offers biblically-based (Deut 23:20, 28:12, Pr 28:8) interest free mortgages for New Zealand housing and church buildings following the principle of sowing and reaping (2 Cor 9:6-15) as funds become available. These mortgages are repaid over 7-15 years enabling borrowers to be released from financial burdens and to generously serve and build God's Kingdom.
